

### Maximum Performance From Factory to Farm, and Back Again

#### Tuff Cube Advantages

- **Rigid & Reliable Strength.** UN/DOT certified Title CFR 49 UN31H2 for Packing Groups II and III for hazardous and non-hazardous materials. Rotationally molded using industrial-grade HDPE for high impact strength to withstand years of use in the warehouse and on the farm. Sized specifically to accommodate chemical quantities commonly required for crop treatments.
- **Easy to Use.** Molded-in and inked volume markers are added for approximate product filling and monitoring. The sloped bottom maximizes drainage, reducing product waste. The valve area is easily accessible by operators, and Tuff Series totes stack seamlessly with other brands.
- **Cost Efficient & Low Impact.** Returnable IBC tanks are constructed for reuse over many years, designed for multiple and repeated turns. Investing in a fleet of asset tanks delivers a higher ROI and reduces waste compared to one-way containers.

#### Tuff LinQ™ Valve

Offering a 30% stronger connection than the industry standard valve! Tuff LinQ uses a dry break assembly and is designed with external threads to eliminate threads within the product zone to create an improved sanitary connection. U.S. Patent 11,713,238

### Tuff Cube Features

Interlocking Stacking Design, 2-3 High

Customize with your product information

Made from HDPE, FDA-Compliant Prime Virgin Resin

2" Tuff LinQ™ Outlet Valve Patent 11,713,238

6" Fill Lid & (3) 2" Top Ports

Molded-In & Marked Volume Markers

Multiple Base Color Options

4-Way Forklift & Pallet Jack Access

### Specification Chart

Model	Size	Tare WT
454 Liter	36" x 36" x 44"	58.5 kg

UN/DOT Certified, Title 49 UN31H2, 1.5 specific gravity, Measured in gallons and liters.

### Other Products for the Ag Industry:

### Your Partner In Ag

Ak-West Inc. is committed to providing innovative, engineered solutions to the ag market. In addition to the Tuff Cube, we offer the following products:

- Tuff Cube MAX™
- Tuff Stack™
- 140L SVR
- Seed Boxes
- Custom Manufacturing Solutions
