

# BAKERY & MULTI-PURPOSE TRAYS

## The proven balance of strength and versatility

Ak-West Inc. is still today's source for a range of sizes and styles to guarantee compatibility with your operation. Ak-West Inc. reusable bakery trays reduce transportation costs, improve product protection and increase productivity in bakery manufacturing, packaging and distribution.

Ak-West Inc. Plastic dollies are compatible with a wide range of Stack and Nest trays and containers. With four swivel casters and a lip to keep loads securely stacked. Durable construction handles loads up to 500 lbs. Our powder-coated, welded-steel dollies are all equipped with four swivel casters and are available in multiple footprints to fit your specific tray and container styles.

**AK** AK-WEST INC.

## Delivering Value Beyond the Box

- Tongue-and-groove design for positive, secure tray stacking
- Low walls for easy product access
- Open-grid bottom and open sides allow maximum air flow for product ventilation
- Stack and nest within footprints to eliminate wasted space and reduce backhaul space
- Combine with plastic or steel dollies for easy transport
- Freezer-safe
- Customization and identification options available
- Backed by a one-year limited warranty
- 100% recyclable HDPE, will not corrode or splinter
