

CROSS STACK AND NEST CONTAINERS

TOUGH, TIDY, BUILT TO LAST

Standard Colours

Jumbo Lug Containers – Rugged, Reliable, Ready for Anything!

Designed for the demands of shipping, storage, and distribution, our Jumbo Lug Containers are built to take on heavy-duty tasks with ease. With tough construction, nest-and-stack versatility, and FDA-compliant materials, these containers make handling more efficient in every environment.

FEATURES:

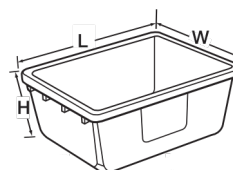

- 1 Stackable:** Integrated grooves create secure 90° stacks with or without lids.
- 2 Nestable:** Maximize space with compact nesting capability.
- 3 Extra Strength:** Reinforced walls and ribs deliver exceptional load-bearing durability.
- 4 Molded-In Handles:** Comfortable grip for smooth and easy lifting.
- 5 Colour-Code Compatible:** Choose from multiple colours to quickly identify contents.

PRODUCT HIGHLIGHTS:

- Durable:** Made from industrial-grade polymer that resists rust, corrosion, and splintering.
- FDA-Compliant:** Safe for food handling and regulated environments.
- Smooth & Sanitary:** Easy-to-clean surfaces support hygiene standards.
- System Compatible:** Sized to fit standard 36" shelving and conveyor systems.
- Value:** Designed for long service life, reducing replacement costs.
