Insight Bins – Secure, Smart & Built for Maximum Visibility!

Organize with confidence using our high-performance Insight Bins! Engineered for stability and efficiency, these bins provide a secure stacking system while ensuring quick access to parts and supplies.

FEATURES:

- 1 **Lock-in-Place Stacking:** Unique design keeps bins firmly in place.
- 2 **Strong Hanging Support:** Molded hanger ensures stability on hanging systems.
- 3 **Label & Scan Ready:** Large front label area for easy identification and barcode scanning.
- 4 **Dust-Free Storage:** Optional lids (sold separately) protect contents while allowing bins to stack seamlessly. Optional dividers sold separately.

PRODUCT HIGHLIGHTS:

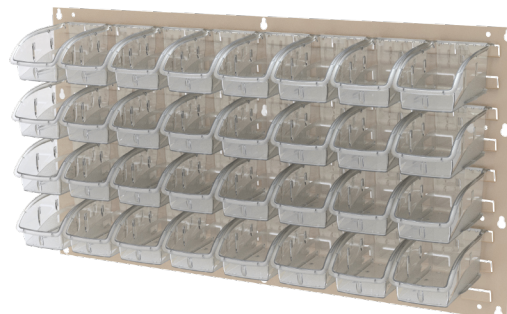

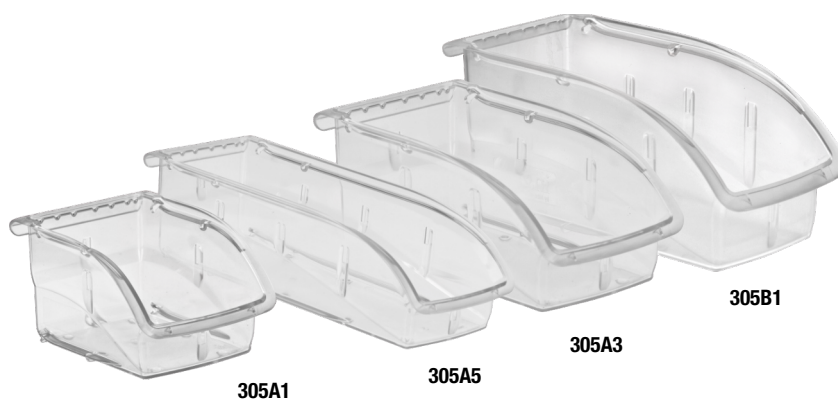

- **Visibility:** Easily locate and access parts for a more efficient workflow.
- **Versatile:** Securely stacks, hangs from louvered panels, rails, and racks.
- **No-Tip Design:** Stacked bins remain stable, preventing accidental tipping.
- **Durable:** High-impact polycarbonate withstands temperatures up to 250° F and resists wear.
- **Variety:** Available in multiple sizes to suit any storage setup.
