

STACK AND NEST CONTAINERS

SMART, STRONG, SPACE-SAVING STORAGE

Stack and Nest Containers – Efficiency, Durability & Secure Stacking!

Keep your storage and transport streamlined with our high-performance containers! Engineered for maximum functionality, these totes provide secure stacking, easy handling, and reliable protection for your materials.

FEATURES:

- 1 **Easy-to-Clean:** Smooth finish ensures effortless maintenance.
- 2 **Ergonomic Grip:** Comfortable design makes lifting and carrying a breeze.
- 3 **Jam-Free Nesting:** Ribs under the lip prevent sticking when nested.
- 4 **Slip-Resistant Base:** Textured bottoms provide stable grip on conveyor belts.
- 5 **Stackable Without Lids:** Wide stacking ledge ensures stability for storage and shipping.
- 6 **Added Security:** Lids feature tie holes for extra protection when needed.

PRODUCT HIGHLIGHTS:

- **Space-Saving:** Securely stacks when full, nests when empty to optimize storage.
- **Durability:** Industrial-grade polymer resists wear, reducing replacement costs.
- **FDA-Compliant:** Safe for regulated environments and food applications.
- **Standardized:** SN2416 series totes are cross-compatible for seamless system integration.
- **Optimized for Pallets:** Fits five per layer on a standard 48" x 40" pallet, maximizing shipping efficiency.
- **Options:** Vented sides and bottom options for added airflow, cooling, or drainage.

WIRE SHELVING KITS

Chrome vs Epoxy

Shelf kits are available in both chrome or epoxy finish. Chrome plated finish is very durable and is ideal for dry storage environments. Epoxy is the ideal solution for high humidity, wet, or walk-in-cooler applications. more economical, small footprint, easy to remove bins from rails. Specify finish when ordering.

See wire shelving for more information.

ACCESSORIES:

Lids

Protect contents from dust and damage, includes tie holes

Stack and Nest Containers – Smart, Durable & Space-Saving!

Enhance efficiency and streamline your storage with our high-performance Stack and Nest Containers! Designed for ultimate versatility, these containers make handling, organizing, and transporting goods effortless across industries.

FEATURES:

- 1 Space-Saving Design:** Stack when full, nest when empty to maximize storage capacity.
- 2 Built to Last:** Engineered for durability in tough environments and heavy use.
- 3 Ergonomic Handling:** Reinforced edges and easy-grip design ensure effortless transport.
- 4 Versatile & Adaptable:** Ideal for manufacturing, retail, logistics, and more.
- 5 Optimized Sorting & Transport:** Available in multiple sizes for efficient organization.

PRODUCT HIGHLIGHTS:

- Seamless Transition:** Stack securely for storage and shipping; nest compactly when empty.
- Long-Lasting Durability:** Industrial-grade polymer construction resists wear and tear.
- Effortless Organization:** Designed to simplify logistics and boost workplace efficiency.
